

# ELIN FORSBERG

M.Sc. student in Interactive Media  
Technology

## PROFILE

As a M. Sc. student in Interactive Media Technology I have broad knowledge in technology, design and their interplay. During my years at KTH my interest for UX-design, human-computer interaction, front-end development and project management has grown strong. I am curious and eager to learn even more about digital interactions- and development.

## SKILLS AND ABILITIES

User experience design  
Interaction design  
Information Visualization  
Front-end development  
Basic Accounting  
Settlements, OTC-derivatives
